## Mayors Report

- Per our discussion at last months meeting I have placed "Amendment to the Harrison Park Advisory Board Membership" on the agenda should you wish to make a change to the composition of the board.
- There is one application included in your packet for the Harrison Park Advisory Board and I have placed the vacancy on the agenda should you wish to make an appointment.
- Al Fuller spoke with Georgia Power's LED Roadway Lighting Representative at the GMA's annual conference regarding converting Ellijay's lights to LED. Current monthly cost for 279 lights is \$3,677.61. The monthly cost after the switch to LED will be \$3,755.91. One of the advantages of the switch is that the new fixtures will be equipped with GPS and will automatically notify Georgia Powers repair staff of an outage. Action is needed to authorize execution of the three enclosed documents.

Bill Daniel, POA, stated that they were tearing down the house located on the property and building a new one. The setback will be on the right side beside the carport. It will be decreasing from 15 ft. to 6 ft. (9 ft. variance). Don Schneider, Code Enforcement Officer, stated that there was not a quorum at the Planning and Zoning meeting, therefore there was no recommendation by the Planning Board. Letters were sent out to neighbors and no one opposed the setback variance. Mr. Daniel showed the Council the plat of the property and stated he wanted more living space in his home, that is why he is wanting the setback variance.

The public hearing ended at 6:00 p.m.
